The DTU letter class is build on the extensive Memoir class by Peter Wilson. The class requires the following packages: placeins, xcolor, calc, graphicx, hyperref, and ifthen. The class uses several options to define the different values of the letter head and foot. All options are activated using the `\dtuletterconfig` command in the preambel, e.g.:

```
\dtuletterconfig{
lang = danish,
department = elektro}
```

The following table describes the options available. Please note that if you need to write a comma in the text for an option you need to enclose the text in curly braces, ie. `author = {tps, als}`.

Option	Description	Default Value
`lang`	Sets the language for the letter (department name, footer field names, etc.). (danish, english)	`danish`
`department`	Specify the department. This selects the correct department logo and text. Possible values are: `aqua`, `byg`, `compute`, `elektro`, `energikonvertering`, `fotonik`, `fysik`, `food`, `kemi`, `kemiteknik`, `management`, `mekanik`, `miljo`, `nanotek`, `space`, `systembiologi`, `transport`, `veterinaerinstituttet`, `vindenergi`.	`admin`
`stationery`	If you are printing on stationery paper you should specify this option (true, false)	`false`
`config`	Specify a configuration file, ie. specifying *user* will load the file `dtu_letter_user.cfg` if available in the LaTeX search directories or the folder containing the letter. The configuration file could contain the `\dtuletterconfig` command with your default values.	
`TO-name`	The receiver name.	
`TO-address`	The receiver address	
`TO-zipcity`	The receiver zip and city (divided by a space)	
`TO-country`	The receiver country	
`TO-att`	The attention text	
`date`	The date text.	`\today`
`docID`	Document ID	
`author`	Document author	
`DK-department`	Danish department name used in the footer (you should not need to set this)	`Set by department`
`UK-department`	English department name used in the footer (you should not need to set this)	`Set by department`
`DK-building`	Building number for the Danish from address	

UK-building	Building number for the English from address	
DK-street	Street name for the Danish from address	
UK-street	Street name for the English from address	
DK-zipcity	Zip and city for the Danish from address	
UK-zipcity	Zip and city for the English from address	
phone	Phone number	
fax	FAX number.	
email	Email address	
webpage	Webpage for the footer (ie. www.dtu.dk)	
cvr	The DTU VAT number	DK 30 06 09 46
phone-direct	Direct phone number	
DK-lang-cvr	Word printed before the VAT number (Danish)	CVR-nr.
DK-lang-phone	Word printed before the phone number (Danish)	Tlf
DK-lang-phone-direct	Word printed before the direct phone number (Danish)	Dir
DK-lang-fax	Word printed before the fax number (Danish)	Fax
DK-lang-att	Word printed before the attention text (Danish)	Att.
DK-lang-building	Word printed before the building text (Danish)	Bygning
UK-lang-dtu	Offcial DTU name	Danmarks Tekniske Universitet
UK-lang-cvr	Word printed before the VAT number (English)	VAT no.
UK-lang-phone	Word printed before the phone number (English)	Tel
UK-lang-phone-direct	Word printed before the direct phone number (English)	Dir
UK-lang-fax	Word printed before the fax number (English)	Fax
UK-lang-att	Word printed before the attention text (English)	Att.
UK-lang-building	Word printed before the building text (English)	Building
UK-lang-dtu	Offcial DTU name	Technical University of Denmark
