3 Coursework

Advanced Procrastination TechniquesProfessor Delayed GratificationFall 2020Couch, Dormroom

Learned advanced techniques to postpone tasks until the last possible moment. Topics included strategic distractions, perfectionism-induced paralysis, and the art of convincing yourself that you work best under pressure.

Mastering the Art of Excuse-MakingProfessor Imaginary CircumstancesFall 2019Office, Dean

Explored the art of crafting creative and believable excuses for missed deadlines and unfinished work. Special emphasis was given to the power of plausible deniability, feigning technical difficulties, and perfecting the "dog ate my homework" alibi.

The Science of Last-Minute PanicProfessor Urgency EnthusiastSpring 2019Chair, Dormroom

Examined the psychological and physiological effects of last-minute panic on productivity. Studied the adrenaline-fueled rush of imminent deadlines, the relationship between panic and creativity, and effective strategies for harnessing the power of urgency.
