Ringkasan

This paper is a sample prepared to illustrate the use of the LaTeX document to be published in MathInfo - Journal of Mathematics and its Applications.

Key words and Phrases:

1 Format

The paper format and style must be in accordance with the present document. You can use this LaTeX file to generate your camera-ready paper. The format and style specifications are:

- A4-size, one column, text width 155mm, text height 235mm, top and side margins 27mm;
- A serif font such as the standard LaTeX font or "Times" and a font size of 12pt;

- ◇ Page numbers should be included, centered at the bottom of each page
- ◇ References like [1] and (sub)sections should be numbered like in this sample.

Camera-ready papers that do not meet these specifications will not be accepted.
In case you have any question regarding the paper submission, please contact `jurnalmath@mail.uns.ac.id`.

2 Submission

The camera-ready paper pdf should be submitted through the website along with the *.tex files.

2.1 Name of the File

Please name your PDF file using the submission number that was included in your confirmation/acceptance email.
