Module 1: Communications

Day X: Catchy Title

CLASS DATE

Overview and Orientation

This is a high-level overview of the goals and plan for the day. This is only a paragraph in length, but establishes expectations for whether people should work in groups, how far they should expect to get, and (if possible) how this class session ties into other building blocks and projects.

Some Content

Here there is some written explanation of content and problems to work on. To the extent possible, include

1. Now we start the problems
