The guide of the LaTeX template for preparing the manuscript of Systems Engineering — Theory & Practice
ZUO Zhe A[1], ZUO Zhe B[2], ZUO Zhe C[1], ZUO Zhe D[2] (1. University, City Postal Code, Country;
2. Chinese Academy of Sciences, Academy of Mathematics and Systems Science, Beijing 100190, China)
This article provides a Chinese LaTeX template for authors who have submitted or accepted to “Systems Engineering — Theory & Practice", detailing the layout requirements of this journal, please read carefully and fill in the corresponding content in the corresponding position.
