– (0.55ex,1.45ex); Didn't complete the 2021 DEFG international math competition final round because of self-esteem issues. blue Don't be scared of losing at stuff. Nothing ever comes out of self pity.

– (0.55ex,1.45ex); Never applied to University entrance scholarship blue this would have been good to have, as a credential, and for money, even though the fees are not too dear here it's still easy money.

– (0.55ex,1.45ex); I haven't played any music in years blue sometimes you need to make sacrifices to get what you want. You can't have everything you want at the same time. Though sad I think it was a good decision.
