Title of the abstract in bold

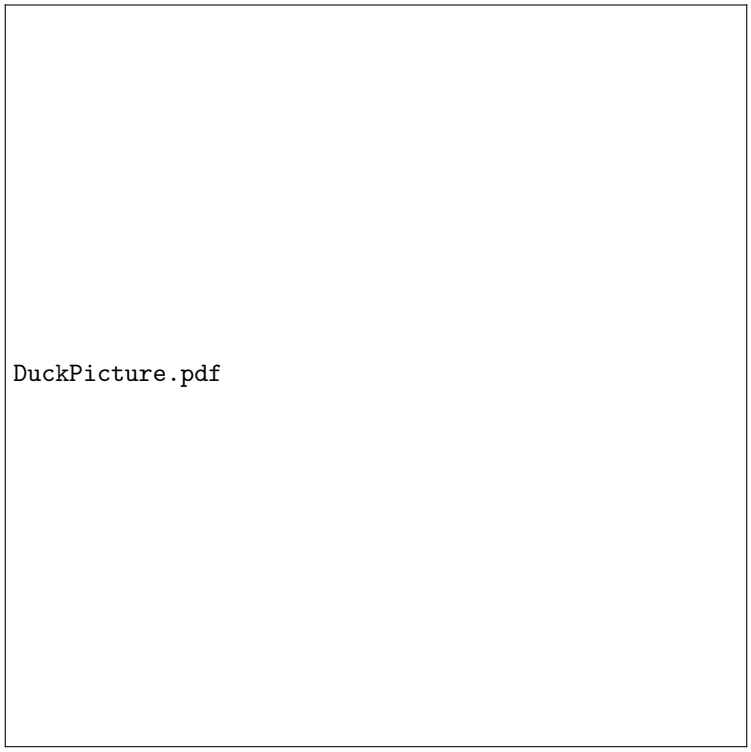

Main Author, rest of authors not bold

Department address written in italic

Email in italic

Main text of the abstract should be written with font 12, Arial. No indent of the paragraph. The references should be noted as the following example.[**?**] The figures in the abstract are allowed if they fit into one page limit and should be referred in the text accordingly (figure 1 [**?**]). One space before and after the figure is required. Abstracts are accepted in .pdf and .doc/docx formats.

[heading=none]

Gambar 1: Figure captions should be below the figure.
