ACKNOWLEDGMENT The acknowledgment text goes here. Unlike chapter headings, this heading is not numbered.

ABSTRACT Write your abstract here. Again, the heading does receive a number.

INTRODUCTION The text of the first chapter goes here. To cite a reference for the bibliography, use a command such as:[1]

1 A Section Heading

This is a sentence to take up space and look like text.

1.1 A Subsection Heading

THE NEXT CHAPTER And so on, for more chapters. Another citation for the bibliography:[2]

LITERATURE CITED

References

[1] This is the first item in the Bibliography. Let's make it very long so it takes more than one line. Let's make it very long so it takes more than one line.

[2] The second item in the Bibliography.

THIS IS AN APPENDIX Note the numbering of the chapter heading is changed. This is a sentence to take up space and look like text.

2 A Section Heading

This is how equations are numbered in an appendix:

$$x^2 + y^2 = z^2 \tag{1}$$

THIS IS ANOTHER APPENDIX This is a sentence to take up space and look like text.
